

Hall of Fame for Mr Dieffenbacher

At the recent 43rd International Wood Composites Symposium held in Seattle, Washington (see report on p46), Mr Wolf-Gerd Dieffenbacher, president and ceo of the Dieffenbacher Group was honoured with the 'Distinguished Service Award' of the Engineering Faculty of

Washington State University and at the same time has been introduced into the 'Hall of Fame' of the faculty.

The award was given to Mr Dieffenbacher in 'Recognition of Significant Scientific and Industrial Contributions in the field of Wood Composite Materials'.
